if you have always wanted to feel better and become more spiritual but have not known where to start then keep reading are you sick and tired of not achieving the spiritual growth you desire or not having the ability to leave your physical body to travel through the astral realm have you tried endless solutions but nothing seems to work for more than a few weeks do you finally want to say goodbye to feeling stuck and having questions and discover something that works for you if so then you've come to the right place you see spiritual growth and astral travel don't have to be difficult even if you've tried other solutions that haven't seemed to work such as hypnosis or other paranormal techniques in fact it could be easier than you think there are many reports of successful astral projections with positive outcomes for the participants demonstrating that out of body experiences are real here's just a tiny fraction of what you'll discover background information on astral projection what is the attraction and why do people want to have out of body experiences best methods and techniques how to perform them how to jump start your experience real world information that you can do in your daily life to enhance the experience and what to expect during your preparation and journey frequently asked questions you will get as much information as possible to answer any concerns or questions you have what it's like coming back how to ease your return into the physical world and what to do once you are back and much much more take a second to imagine how you'll feel once you have successfully traveled through the astral realm and how your family and friends will react when they see how much calmer more focused and happier you are so even if you've been disappointed by fake guarantees and promises that didn't come true don't worry you can still learn to have purposeful positive out of body experiences with astral projection and if you have a burning desire to get started on your spiritual journey to higher consciousness and willful astral projections then scroll up and click add to cart now

astral travel aura viewing spiritual and effective pathways reading my book and following the suggested techniques will change your life forever it explains in detail how you can have exciting unbelievable adventures to future past and alternate lifetimes to astral counterparts of physical objects and places and to see your own magnificent aura these things are doable without sniffing glue eating hallucinogenic mushrooms taking drugs or performing weird sex it takes no special talent to have these awesome life changing experiences only some time and determination my methods involve deep breathing calling out to god through chanting and sacred meditation the book is concise and basic here are some quotes part one definitions the astral plane is a vibration of life that is highly emotional and visiting it can be a nightmare world of hell a blissful journey to heaven or one of many many places in between normally we project using an astral body we possess different energies of all vibrations and will without realizing or making any effort choose just the correct combination depending on the vibration of light needed for the journey this astral energy can sometimes be seen and is called the aura part one astral travel basics don't get

hung up with tedious drawn out methods to leave your physical body one body part at a time you don't need to project an astral counterpart of your entire physical self i suggest you simply project that part of you located between your eyes that's where your true self is located anyway the fastest and easiest way is to just be wherever it is you want to be don't even think about what you look like that will just bring you back to the physical part two two methods to project to wooded areas when you are in the air and you feel like you are flying you might not be it took me a long time to realize that i was really located in a point in the sky i had no body so i was not subject to gravity however the earth was rotating on its axis i just had the sensation of moving it's like when you're in a car wash seated in your car the big brushes come forward and you have the sensation of moving even though you are not part three my experiences holy and wonderful the separation was in a whole different manner i remained in my physical body while i felt energy projecting i became a being of white light energized by my heart chakra part three my experiences holy and wonderful while meditating on a violet crystal i asked to see my spiritual guides amazing spheres of brilliant colored light appeared i saw a pink spirit and a golden flame baby which i brought to my heart chakra the face of a happy young man looked arabic smiled at me my tunnel rotated very fast and pointed very high part three my experiences the difficult located on the side of a mountain there was a huge stone castle which had many jagged edges of rock i was part of a group of very intense people just outside it seemed we were not worthy to enter the castle from the front because i was small and agile i had been selected to deliver something of great importance to people waiting inside i have no idea what it was i climbed very high while hugging the castle the best i could to some kind of small opening in the rock i was petrified part four aura etheric and halo viewing seeing your own magnificent light will help you realize you are a holy spirit and truly a child of god it's very exciting just a matter of waking up the third eye which is located at the base of your nose and extends to the very center of your head when following these instructions you will have one foot in the third dimension the physical and one foot in the fourth dimension the astral

if you want to discover and explore the universe that lies within your mind then keep reading two manuscripts in one book astral projection a guide on how to travel the astral plane and have an out of body experience lucid dreaming for beginners what you need to know about controlling your dreams to improve your sleep and creativity do you have experiences in your subconscious you wish to explore do you want to explore the universe and unravel the answers to mysteries in the non physical dimensions do you want to unlock your inherent psychic abilities and discover more ways to improve yourself and get in tune with your higher self if you answered yes to any of these questions then this book is for you part one of this book provides examples of astral projection experiences focusing particularly on how to achieve practical success and showing you how to project out of your physical form to explore the universe at will in part one you will learn how to prepare your body and mind for an exploration of non physical dimensions how to master the art of astral projection how to travel the astral plane and meet higher beings and entities how to improve your self awareness and attain higher levels of enlightenment

and spirituality 5 astral projection techniques used by experts 8 things you should know before attempting an out of body experience advanced out of body techniques how to discover and utilize your spirit guides how to increase your clairvoyant abilities via astral projection we all dream and whenever you dream you are traveling on a journey toward your inner universe this inner universe is formed from the fabric of your very being or existence this inner fabric is your dream the dream world is exciting and it also gives you a chance to explore your inner beliefs creativity aspirations goals and everything else associated with your persona lucid dreaming might sound like an exotic concept but it is backed by science it is a skill anyone can learn and improve lucid dreaming helps you prevent nightmares understand the power behind your choices explore your creativity become more aware of yourself and be in complete control of your own life lucid dreaming is the key to self awareness part two of this book will act as your guide every step along the way in this book you will learn about dreams and their meanings tips to prepare and get started with lucid dreaming relationship between lucid dreaming and astral projections the link between lucid dreaming and shamanic journeying lucid dreaming techniques for beginners simple strategies to explore your dreamscape tips to protect yourself during lucid dreaming 14 common lucid dreaming mistakes and how to avoid them 5 advanced lucid dreaming techniques and much more so if you want to learn more about astral projection and lucid dreaming then scroll up and click the add to cart button

teaches you how to differentiate between astral travel and conventional dreaming you can learn to control your experiences complete instructions for astral dreaming twilight zone astral travel meditative state travel in the spiritual realms helping and healing with astral travel and much more

astral travel or astral projection abbreviated out of body experience means travelling through subtle planes it does not really matter if it is doubted that this possibility exists what is important is that these experiences are highly exciting and allow us to grow inside as a person with a perceptible and visible body we experience an unknown environment that seems to be as real as the physical world sometimes we are even more awake and we experience everything with more intensity than in everyday life we step into a world full of wonder and beauty in this we are not simply passive observers but instead we are able to knock on someone's door to go in and speak with the people who live there through astral travel my inner life has been enriched enormously in repeated experiences on the astral plane encounters with deceased and highly evolved beings i could strengthen my own belief in a world beyond and in afterlife life has gained a deeper meaning it is not only for short lived pleasure and fun instead higher goals are pursued and it becomes possible to evolve as a person this book presents and explains different phenomena and methods of astral travelling it also contains considerations on lucid dreaming vs astral travelling people who are studying the phenomena of astral travelling will find plenty of information here

have ever an astral projection took place on your body would you like to experience this type of separation between body and spirit also called astral travel the expression astral projection refers to an

out of body experience also called obe during which the astral body leaves the physical body and travels to the astral plane it can occur naturally as part of the sleep process or it can be performed through lucid dreaming or deep meditation also called astral travel the expression astral projection refers to an out of body experience also called obe during which the astral body leaves the physical body and travels to the astral plane it can occur naturally as part of the sleep process or it can be performed through lucid dreaming or deep meditation basically the concept of astral projection hinges on the belief that there is something called an astral plane and that it is one of the seven planes of being and humans generally live on the material plane the mythicized astral plane is considered to be the home of not only souls finding their way to their their next life or final resting place but also angels and spirits that are more than human astral projection is the personal gateway into the realms of the consciousness exploration in this step by step guide you will learn everything you need to learn about how to leave your body and travel successfully you will also learn about the landscape of the astral planes and the beings that inhabit them so that you can interact and learn from them zero knowledge is assumed as this book starts right from the beginning get ready to transcend your physical body and explore the astral realms and prepare yourself for an amazing adventure as you explore and grow spiritually here is a preview of what you ll learn freeing your mind through astral projection when traveling the astral plane your own out of body experience the power of meditation spirituality and astral projection meditation 101 understanding your chakras understanding kundalini yoga tai chi much much more download your copy today

the astral projection is a unique way of living great adventures without moving from your bed or your chair this phenomenon is known as astral travel but it doesn t imply any movement in the physical sense of the word in fact the astral projection or astral travel is a temporary separation of your astral body from your physical body it is a transfer from a physical plane to an astral plane but who travels if it s not the physical body let s take a look at the subtle composition of a human being just like the universe is made up of different planes or levels the physical plane the astral plane etc every human being is made up of several bodies that form a layered structure different layers surround the physical body in the following order the physical body the etheric body the astral body the mental body the causal body the buddhist body or supra mental the divine body or atmic body when we make the decision to astral project it is of course the astral body that travels alone leaving the physical body behind this is why the phenomenon is also known as out of body experience you might want to know that the astral entities that you come across during your journey are not auras as some people think they are the astral bodies of different living or deceased beings they can be human beings or animals for that matter do you find this intriguing but also a little worrying well you are not the only one i don t think any astral traveler could claim they never felt the slightest apprehension the first fear everyone faces is not being able to return to one s physical body making bad encounters is also a major concern to most people although in theory accidents may happen this book will show you that in reality if you follow the proper techniques it is impossible for these unwanted events to occur during your astral projection if you feel an apprehension don t try to

deny it it s a natural reaction but mastering a few safe techniques will make the fear disappear just as naturally as it appeared the purpose of this book is to teach you the right methods for safely undertaking out of body experiences it s a guide to traveling in the astral plane in a completely safe way even if you have never tried it before you will learn how to start an astral projection without having any prior experience it s quite possible for a total beginner to embark on this new adventure however don t take things too lightly you don t start an astral projection as easily as you start a car you will learn the easiest and fastest projecting techniques but you will also be warned about those you must avoid if you are tired or under pressure at the end of a stressful day for example you will read about the possible encounters in the astral realm how to deal with them and how to make sure that nothing and no one can ever disturb you most importantly you will learn everything about the unknown benefits of astral projection what they are and how you can empower yourself and literally improve your everyday life using this extraordinary experience this is the english version of one of richard armand s best selling ebooks he is a french author his books on astral traveling and extrasensory phenomena have been a great success in france in the past years
