animation behind the iron curtain is a journey of discovery into the world of soviet era animation from eastern bloc countries from jerzy kucia s brutally exquisite reflections in poland to the sci fi adventure of ott in space by estonian puppet master elbert tuganov to the endearing gopo s little man by ion popescu gopo in romania this excursion into soviet era animation brings to light magnificent art ruminations on the human condition and celebrations of innocence and joy as art reveals the spirit of the times animation art of eastern europe during the cold war funded by the soviet states allowed artists to create works illuminating to their experiences hopes and fears the political ideology of the time ironically supported these artists while simultaneously suppressing more direct critiques of soviet life politics shaped the world of these artists who then fashioned their realities into amazing works of animation their art is integral to the circumstances in which they

lived which is why this book combines the unlikely combination of world politics and animated cartoons the phenomenal animated films shared in this book offer a glimpse into the culture and hearts of soviet citizens who grew up with characters as familiar and beloved to them as mickey mouse and bugs bunny are to americans this book lays out the basic political dynamics of the cold war and how those political tensions affected the animation industry in both the us and in the eastern bloc and for animation novices and enthusiasts alike animation behind the iron curtain also offers breakout sections to explain many of the techniques and aesthetic considerations that go into this fascinating art form this book is a must read for anyone interested in the cold war era and really cool animated films

published in conjunction with the exhibition states of mind dan and lia perjovschi nasher museum of art at duke university aug 22 2007 jan 7 2008

from 1937 to 1950 the irish government granted political asylum to a number of european minority nationalists many of whom were wanted for crimes of collaboration with axis forces during the second world war bretons basques scots flemings even a high ranking croat later dubbed the yugoslav himmler all found temporary or permanent refuge in ireland refuge ireland reveals for the first time why dublin sheltered fugitives who had so disastrously regarded nazi invasion as their nationalist opportunity employing unpublished sources and personal accounts daniel leach explores the role of political asylum in asserting irish sovereignty catholic anti communism and revolutionary heritage and exposes a previously hidden and controversial chapter of irish and european history one which through the continued actions of postwar and even modern exiles continues to affect ireland s reputation to this day a well researched coherently argued and clearly written piece of work which combines scholarship with accessibility leach has consulted an impressive range of original sources in a number of languages and has used them intelligently to develop a persuasive argument about the nature of irish asylum policy eunan o halpin author of defending ireland

at the end of the 20th century and at the dawn of the 21st the united nations was tasked with the administration of justice in territories placed under its executive authority an undertaking for which there was no established precedent or doctrine examining the un s legal and judicial reform efforts in kosovo and east timor this volume argues that rather than helping to establish a sustainable legal system the

un s approach detracted from it as it confused ends with means publisher s description

well functioning political parties are essential components of democracy they organize voters aggregate and articulate interests craft policy alternatives recruit and socialize new candidates for office set policy making agendas integrate disparate groups and individuals into the democratic process and provide the basis for coordinated electoral and legislative activity but political parties in many developing democracies remain weak and underdeveloped often being based around personal ethnic or regional ties rather than national interests today with more states deciding their leaders through multiparty elections than ever before many developing democracies seek to shape the development of political parties and party systems by regulating the way parties can form organize and behave most of these ambitious initiatives and innovations emanate from new democracies rather than established western examples this volume examines this growing trend in conflict prone societies towards promoting stable and inclusive political parties via political party regulation and engineering in developing democracies around the world
